Summary

When I catch Chris and Tsubasa kissing, I blush.

- A translation of [Confusion de sentiments](#) by [MiaQc](#)

When I catch Chris and Tsubasa kissing, I blush. The two teenagers are holding hands. Yet, I know very well that Chris and Tsubasa are dating, but that doesn't stop me from feeling strange. Could it be that I have feelings for Chris or Tsubasa? But I love Miku and Miku loves me back. I'm confused. Who do I really love?
